Remotely

COMMUNICATION STRATEGIES

RESOURCES

Full toolkit of information regarding Coronavirus and how to keep your Client's needs at an all time high, and make sure your partners are following HIPAA protocols.

HR ON-DEMAND

Online and phone access to an HR trusted advisor to help answer and guide your organization past any HR obstacles that come your way during this time of crisis. We are also providing a benefits help desk to take any inquiries or support help you or your employees may have.

HR UPDATES

Monthly emails to update your company on any legislation changes, requirements, and followup to ensure your organizations compliance.

YOUR HR SUPPORT TEAM

As you're focused on developing your company we are here to make your lives easier by providing you the tools and guided support to ensure your HR and people do not get lost in your growth during the pandemic.

HRO Now delivers an unmatched HR experience specifically tailored to the issues non-profits often run into. From compliance to strategic HR, receive the guidance you need to drive your organization to the next level.
