

HR Consulting helps Public Sector...

Save Money

Turn attention from administration to strategy

Put once unavailable data in HR professionals' hands, helping them plan for current and future needs

Protect from budget shortfalls caused by rising deficits that threaten government's ability to perform key services

Centralize processes that are repeated at multiple locations through the shared services model

Public Sector HR is facing a period of Transition.

Are YOU prepared for the changes?

Can you Answer these Questions?

- Is now the time to implement pay for performance compensation?
- How can I better leverage vendor relationships to make a difference in our bottom line?
- Have I reviewed all options for Healthcare Cost containment?
- Who has the most experience working with Public Sector HR in my

what our clients have to say:

"Austin Baker and his team have exceeded our expectations every time."

- HR Manager, Logistics Company

"It's been a very helpful, encouraging, and inspiring experience."

- HR Manager, Large Non-profit

"Knowing that HR on-call advisor services are only a phone call away has made me feel more secure and informed."

-CFO, Manufacturing

"Working with HRO Partners has been integral in overhauling our HR department."

-Accounting Director,
Non-profit

"Made the entire (hiring) process more smooth, on point, and very successful."

-Executive VP, National Business Chain
